

NORDIWALL FLEX LITE

THE FLEXIBLE LINER FOR SMALL DIMENSIONS

PROVIDING SOLUTIONS

PERFECT FOR HOUSE CONNECTIONS

With the NORDIWALL Flex Lite you can rehabilitate house connections very quickly and easily. Due to its excellent flexibility and bendability, the NORDIWALL Flex Lite is ideal for small dimensions.

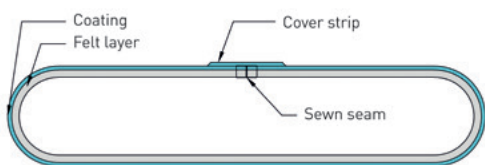

COMBINES FLEXIBILITY, QUALITY AND COST EFFECTIVENESS

The NORDIWALL Flex Lite is a high quality, durable and cost effective solution for small scale rehabilitation, bends and diameter changes.

PRODUCT FEATURES

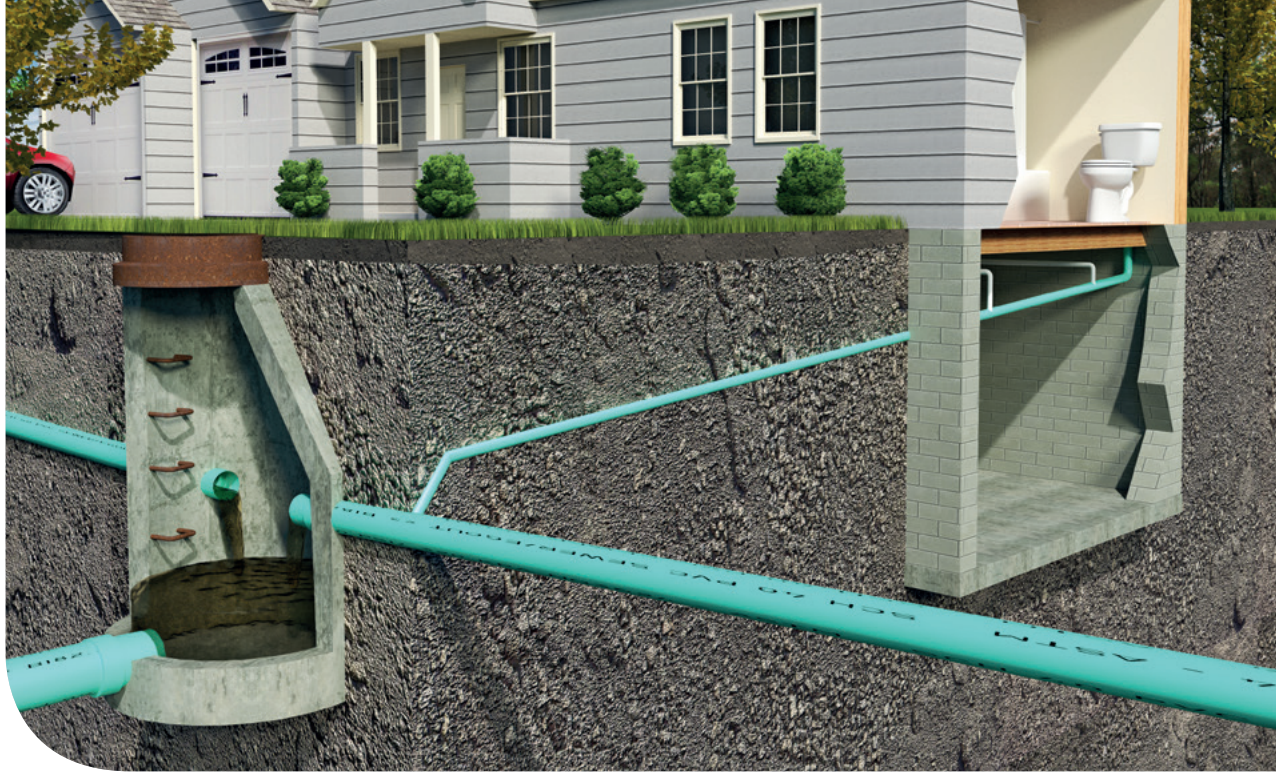

The NORDIWALL Flex Lite is a coated needed felt hose for open-channel lines in the diameter range of DN 50-150.

Especially for small dimensions, the NORDIWALL Flex Lite can be used effectively and economically

NORDIWALL Flex Lite is a coated needed felt hose

Scope of application	Gravity lines
Diameter	50-150 mm
Material	Needled felt hose
Coating	PP, modified PP
Resin	512-49 and 521-26 OF FAST

SCOPE OF APPLICATION

NORDIWALL Flex Lite works with excellent coating and excellent bendability.

Due to the specially developed felt, 90° bends and diameter transitions up to 50 mm can be achieved.

The liner with PP coating is particularly suitable for the rehabilitation of domestic sewage pipes.

In addition, a liner with modified PP coating is also available for industrial applications, which has very good chemical and high temperature resistance up to 140°C.

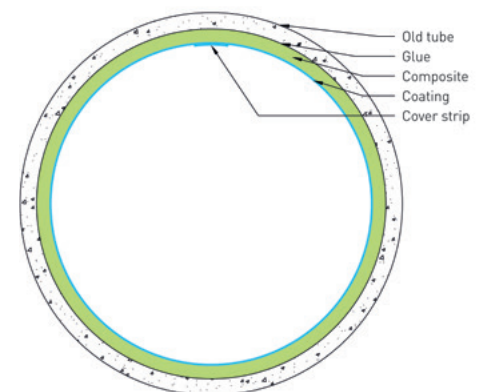

The flexible fabric allows for the rehabilitation of 90-degree-bends

BENEFITS AT A GLANCE

In addition to the general advantages of trenchless pipe rehabilitation, such as short project duration, infrastructure and active environmental protection by reducing CO₂ emissions, the NORDIWALL Flex Lite offers further benefits:

- Especially suited for house connections in the small dimension range
- Very flexible hose liner for excellent bendability
- Diameter changes up to 2DN possible (maximum 50 mm)
- Sealing of sockets and cracks
- Structural pipe improvement
- Improves the flow rate
- Extends the life of the pipeline
- High cost effectiveness

NORDIWALL Flex Lite seals joints and cracks and provides a structural pipe improvement
